

Concert for Pre-Zero-Year-Olds ~Mom is My Premium Seat~

A concert series since 1985 friendly to mothers-to-be

Masaru Ibuka (1908-1997), Co-Founder of Sony Corporation, advocated the importance of prenatal nurturing of intelligence and sentiment. This concert series was launched with his suggestion in mind and is now being held across the country. Also featuring talks by the performers, this concert series have been popular over the years as something that expecting mothers and their family members can relax and enjoy.

No concerts scheduled for FY2018
